Project Title	Sao Paulo Web Design
Project Summary	Interested in web design and usability? We need someone to revamp Sao Paulo's intranet page to improve availability and accessibility, clarity, and relevance. Currently, the site is clunky and certainly not very pretty.
Country	United States
Agency	Department of State
DoS Office	WHA
Post	N/A
Section	N/A
Number of Interns	1

Project Description

Students would work closely with Consulate Section Heads to ensure that layout and information are up to date and meet the section's goals. In addition to honing web design skills, this project would expose students to many of the management/administration issues involved in running a large diplomatic post, which is applicable professional experience for anyone, regardless of future aspirations.
